## TEMPORARY USE CHECKLIST

**From the Lyon County Zoning Ordinance, the Zoning Administrator shall take into account the following items in making its general findings concerning the special exception use application.** Does the Zoning Administrator make the finding on the following factors relating to the proposed temporary use permit application?

1. Is the application in harmony with the intent, purpose and spirit of this ordinance?  Yes    No
  
2. Is the application an appropriate use of the land and/or provide a service or facility which is in the interest of the public convenience or which will contribute to the general welfare of the vicinity or the county?  Yes    No
  
3. Is the application use located, designed, constructed and operated so as not to interfere with the development and use of adjoining or surrounding property in accordance with the applicable district regulations?  Yes    No
  
4. Does the application use have a substantial or undue adverse effect upon adjoining or surrounding property, the character of the neighborhood, conditions, parking, utility facilities or other matters effecting the public health, safety and general welfare of persons residing or working in the vicinity?  Yes    No
  
5. Does the application unduly diminish or impair established property values in adjoining or surrounding properties?  Yes    No
  
6. Will the application use be served adequately by essential public facilities and services such as highway, streets, parking spaces, drainage structures, water supply and sewage disposal; or that the persons or agencies responsible for the establishment of the proposed use will provide adequately for such services?  Yes    No
  
7. Does the application use comply with all conditions imposed on it by provisions of the district in which such special exception use may be authorized.  Yes    No
  
8. Do the existing, relocated dwelling units or accessory structures, for the proposed use, aesthetically blend in with the neighboring existing permitted uses?(Special attention is given to the architectural style, size and condition of the proposed building structure.)  Yes    No
  
9. Does the application use create a hazard to vehicular or pedestrian traffic.  Yes    No
  
10. Does the application use cause any permanent, irreparable environmental damage to the parcel or neighboring lands.  Yes    NO
